229 – “You promised that You would have a remnant when You come to the earth. Regardless of what goes or comes, there is going to be people that’s going to be ready. We know that there is a tithing that man gives to God. And there is a tithing amongst the people. Perhaps, maybe we would say, a tenth, of all the world’s harvest through the ages, will be that Elected that’s been called.”

554 – “Each generation has its revival. God raises Him up a man, sets him with His Word, and starts him out for the message for that age. And as soon as that man is taken off the scene, somebody else catches it and hybreeds it. It all falls back to a perfect, everything, may... / Each generation receiving, ’cause it’s repeating right back to Adam and Eve, again, the first crop, garden of Eden. Half of them lost; wise virgin, sleeping virgin. Half of them, one kept the Word, other one hybreed it.”

1260 – “Notice in verse 41, the two also very close, so close in the last days till He didn’t do... He could not depend on some certain church to separate them, say, the Methodist or the Baptist, or the Pentecostals, to separate them. He said, ‘He sends His angels to separate them.’ An angel is coming to bring the separation, the segregation between the right and the wrong. And no one can do that but the Angel of the Lord. He’s the One that is going to tell which is right and which is wrong. God said He will send His angels at the last times. Not angels down through here, but angels at the last time, and would gather together. We know that this is the coming harvest time now. Now, an angel is actually interpreted a ‘messenger.’ And we see that there is seven angels of the seven churches, and now... no, through the church ages.”

DIVINE LOVE MANIFESTED

Dr. William Soto Santiago

Now, we were talking:¹ “He who looks to the wind will not sow; and he who looks to the clouds will not reap.”

—“Hey, but this is rainy weather. I can’t go there for the activities that are going to be had because (you know?) you get wet and get a cold.” However, he goes to the beach or to the river, or gets in the shower, and there he doesn’t say that he gets a cold. Always looking for a way to do anything. But nevertheless, what he does is harm himself. He’s not helping himself at all, he is harming himself.

Look, during the year almost everybody gets the flu...

Now, let’s see two people: One of them got the flu, because he caught a cold at some point, one day he caught a cold..., one carelessness and he got the flu, and he suffered a lot because of that flu. Another one comes along, and because he was doing something in the Work of God: Either he didn’t take any precaution, or there was no way to avoid it, and he got the flu; a big or a small flu (whatever

1 Ecclesiastes 11:4

it is). Which of the two is more blessed to have that flu?

Do you see? The one who caught it because he was working, before God he has a blessing: He didn't spare his own health to do God's work! Like Jesus Christ: He offered His life, He didn't spare it, to give it for us, for our benefit!

It is good to take care of oneself, to take care of one's health; but there are moments when the Work comes first. And when the Work comes first, then it depends on the decision that the person makes.

Paul said: "I am ready to die; not only for being stoned, but to die for the Lord."² He didn't spare his life for the Work of God, he was willing to do anything to do the Work of God.

ISRAEL AND THE SON OF DAVID

You see, divine revelation of God's Program is required for a person to be able to approach God and worship God. It is not as the person wants to do it, but as God has established; and apart from that, God doesn't accept anything else. We can't try to make God adjust to us, but we must adjust to God's Program; there is no other way. If we don't do it, who is harmed? Well, ourselves.

(...) So you see, God doesn't forget His people; and God, even though sometimes we can look and see and say that God is not with these people, that He doesn't help them, there is time for everything: There is time to laugh, there is time to cry; there is time to sow, there is time to reap; there is time to receive divine mercy, but there is also time for divine judgment to fall upon all nations: that is the day of vengeance of our God, that is the day burning like an oven that the prophet Malachi tells us about.

THE LAST TRUMPET

Dr. William Soto Santiago

Wednesday, August 10, 1983

Veracruz, Mexico

It is necessary for all of us to be alert in this end time, because the Last Trumpet will sound. It will be the Lord Himself descending

² Acts 21:13

from Heaven; it will also be the ministry of the Angels of the Lord to gather all the elect: It will be the ministry of Moses and Elijah.

And when we see that the ministry of the Lord, and the ministry of Moses and Elijah here on Earth, will be there for the sounding of the Last Trumpet, we ask ourselves: And how will all this happen? Well, we know that the Lord will sound the Last Trumpet, and also the Lord said that His Angels would be sent. And His Angels are Moses and Elijah. They would be sent for what? To sound the Great Voice of Trumpet and gather all the elect.

We ask ourselves: How will all this happen so that this Great Trumpet will sound? It will happen in the simplest and most easiest way you have ever imagined.

(...) Therefore, let us be aware, lest it happen to us as it happened to the people in the time of John the Baptist: That they didn't know that he was the forerunner of the First Coming of the Lord; and as it happened to the people of the time of the Lord Jesus Christ: That they didn't know that He was the Messiah they were expecting (and they still don't know it).

But in this end time, with the Last Trumpet, when it is sounded to them, when that Last Trumpet, that Final Message is heard by them, they will know everything that happened two thousand years ago; for they will see the ministry of Moses, the ministry of Elijah and the ministry of the Lord Jesus Christ on this Earth in this end time, manifested in the last of the prophets that will be on this Earth giving the Final Message, sounding the Last Trumpet, for the blessing of all the children of the Lord, for the blessing of the wheat of the Lord, which are the children of the Kingdom, the children of God, what for? To carry out the Great Harvest, the gathering of all the children of God.

(...) We don't have to be looking to see who speaks more beautifully, we don't have to be looking for which preacher pleases us more, we don't have to be looking for which preacher speaks louder or more beautifully, or has a better voice; what we have to be looking for in this end time is who has the Last Trumpet, who has the Final Message; because that is what God has promised to be able to transform us, and to be able to take us in the rapture; and also to bring the resurrection to those who slept in Christ Jesus.

There will be no more important thing or more important message than the Final Message of God, than the Message that the last of the prophets that God will send to this Earth will bring us.

That Message, that Trumpet and that final messenger is the one we have to be looking for. And when we see him and hear him, we can say: “We have come to the end of time, we have received the Final Message, we have been hearing the Last Trumpet; and we are seeing the final and last prophet of all the prophets of God, that He would send to this Earth.”

And God concludes His labor with that, His work; and then we will all reach perfection, with new, glorified bodies; and the dead in Christ will rise happy and joyful because the Final Message, the Last Trumpet, will have sounded.

THE ONLY VOICE OF GOD

(Ministerial Meeting)

Dr. William Soto Santiago

Cali, Colombia

And now, when the Mystical Body of Christ has been completed, Christ will rise from the Throne of the Father and will take the Title Deed, will do the Reclaiming Work, and will resurrect the dead believers in Him and will transform us; and that when the Mystical Body of Christ has been completed. And then the Door of Mercy will be closed when He has made intercession for the last of God’s elect.

There the Door closes; Christ resurrects the dead believers in Him and He will transform us; and there will be a full manifestation of the Holy Spirit, of the power of God; and it will be for a short time: From 30 to 40 days says the Reverend William Branham, that it will be that time when the dead will be resurrected in eternal bodies and we will be transformed.

With the new body everything will already be in a time span of 30 to 40 days; but there God will shake this world as He has never shaken it before; there the Tent Vision will be fully fulfilled. See?

Now, we have seen how simple everything is. Everything is simple.

I have heard people say: “When I see the Tent Vision fulfilled,

I will believe.” He is placing himself as part of the foolish; because the Third Pull, you see, it is for the Bride, it is for the foolish and it is for the world.

But when that happens, you see, the Mystical Body of Jesus Christ our Savior will already be complete. It will be, for the Bride, a great manifestation in the midst of the Church-Bride of the Lord Jesus Christ, it will be the Holy Spirit manifested in the midst of His Church in all His fullness.

The world will see the power of God manifested without limitations; but it will be too late for the world, as it was too late for the spirits of those who were disobedient in Noah’s time, when Jesus went to hell and preached to them.

And it will be too late for the foolish ones to receive the faith to be transformed and raptured, because the Door will have already been closed, and they will have to go through the great tribulation; for they will find themselves without oil in their lamps, they will find themselves without the baptism of the Holy Spirit. Although they could have had manifestations of the Holy Spirit: like tongues, prophecies, miracles and signs, but they didn’t have the baptism of the Holy Spirit: they had not obtained the new birth; and therefore they didn’t have the angelic theophanic body to later receive the physical and glorified body and go with Christ to the Marriage Supper of the Lamb.

THE SUMMARY OF THE DISPENSATIONS IN THE DIVINE PROGRAM

Dr. William Soto Santiago

Therefore, Christ is going to carry out through His Church the fulfillment of that Vision of the Great Tent Cathedral; and that is the last thing, physically, as a place.

Just as the upper room was a literal place, there is also a promise of a Vision that was shown to Reverend William Branham of a Great Tent Cathedral; wherein, just as the presence of God entered into the Pillar of Fire, in the Cloud, there into the tabernacle which Moses made, and passed into the most holy place, and stood upon

the mercy seat in the midst of the two cherubim of gold; so did He do in the temple which Solomon built when it was dedicated to God: God descended in the cloud, and entered into the temple, and went into the most holy place, and stood upon the mercy seat in the midst of the two golden cherubim.

And in this end time they are the Two Olive Trees. And in the midst of the Two Olive Trees, of those ministries... just as on Mount Transfiguration, in Matthew, chapter 17, verses 1 to 13, Christ was there, and Moses on one side and Elijah on the other side, where God showed through Christ what will be the Coming of Christ to His Church.

In other words, He comes with His Angels, Matthew, chapter 24, verses 30 to 31 says. He comes to carry out the Harvest: The gathering of the elect of His Church and the elect of the Hebrew people.

It is the time when the ministries of Jesus, Moses and Elijah, will be manifested in the midst of the Church of the Lord Jesus Christ in all its fullness, to close the Dispensation of Grace with the resurrection of the dead in Christ and the transformation of those of us who live, to be able to go to the Marriage Supper of the Lamb, and to fully open the Dispensation of the Kingdom to deal with the Jews. It is as simple as that.
