<sup>67</sup> The Word Itself is Spirit. It is Spirit in Word form. And then, you see, when It is quickened, or brought to life, the Spirit of the Word goes to work and acts. See? Because that...

<sup>68</sup> Now look here. A thought has to be a thought before it can be a word. And then when a thought is presented, it is a word. Now, this is the God’s thought that He has placed in the Word. And then when we receive It from Him, It becomes a Word.

1470 - “A prophet’s supposed to be the mouth of God speaking, not his own thinking. His... You see, he’s com-...so completely yielded to God, he don’t want to hurt nothing, but he has to say what God says, ’cause he has no control of It hisself.”

1502 - “Now, remember, “The Word of the Lord comes to the prophet,” not the theologian. The prophet, he is a reflector of God’s Word. He can’t say nothing; he can’t say his own thoughts. He can only speak what God reveals. Even to the prophet Balaam when he was tried to be sold, sell his right, he said, “How can any prophet say anything but what God puts in his mouth?” It’s a thing that God does, that you can’t say nothing else. And you’re born that way. (...) But nobody set before a prophet, ’cause he was—he was absolutely the Word of God. He was that Word in his day. You seen God reflect.”

*Rev. William M. Branham*

<sup>1981</sup> God dwelt with us in flesh. He was the Word.

<sup>99</sup> Before a Word, it’s a thought. And a thought has to be created. All right. So, God’s thoughts become creation when it was spoke, by a Word. That’s when He presents it to—to you as a thought, His thought, and it’s revealed to you. Then, it’s still a thought until you speak it. That’s the reason...

<sup>100</sup> Moses went out to pray. That Pillar of Fire around him, and He said, “Go, hold your stick towards the east, and say, call for ‘flies.’”

<sup>101</sup> There’s no flies. But he went and held the stick there, and said, “Let there be flies.” No flies at all, yet. Went on back. But the words, God’s thought, has already been spoken. It’s a word, now it’s got to happen.

## **THE VOICE OF THE SIGN**

The Voice of God, the Word of God, is always behind the signs. If the Word is not there, the Message of God for the time in which the person is living, the signs have no positive value for the children of God; because the false prophets also make signs, but they are not followed by the Voice of God for the time in which one is living. Therefore, the signs attract people, the signs that come from God, so that the person listens to the Voice of God.

Now, the prophet had that first sign in his hand, the first stage; then he had the second sign, which discerned the thoughts of the heart of the people through the Spirit of God. Behind the sign was also the Voice of God speaking to the people.

The sign is to call the attention of the people, so that they sit down to listen to the Voice of God.

Then there is another sign, another stage, a third stage, of which a sample was given through Reverend William Branham, who had that third sign, that third stage, behind which was the Voice of God.

That Third Sign will bring in the Last Day, to the Church of the Lord Jesus Christ, the Voice of God, the Word of God for the end time. Through that Third Pull manifested in Reverend William Branham the Word was spoken, and then things happened. It was the Voice of God, the creative Voice of God through a man, the Holy Spirit speaking to the people.

That Third Sign, that Third Pull, will be repeated in the fulfillment of the vision that was given to Reverend William Branham: The Tent Vision. At a certain time the sign of the Third Pull will be there, and consequently, the Voice of God will be there speaking to His people, to His Church; and then He will speak to the Hebrew people.

Now, if it is the Voice of God which is in every time behind

those divine signs, back in the time of Moses those signs were in the midst of the Hebrew people; then in the New Covenant those signs will be manifested in the Church of the Lord Jesus Christ.

We already saw them manifested in the Reverend William Branham, the first and second sign, and we were given a sample of what will be the third sign: The Third Pull in the midst of the Church of the Lord Jesus Christ. A sample was given, through Reverend William Branham, of what God is going to do in the Last Day in all His fullness.

Then there will be the Word of God, the Voice of God speaking to His Church on the Last Day, and revealing what the Church needs to know in order to have the faith to be transformed and taken with Christ to the Marriage Supper of the Lamb.
