

a part of the Divine Program physically, but inside it has a spiritual element of the Divine Program.

Therefore, work with all your heart in the Work of the Lord in this field of the construction of this Great Tent Cathedral; and then we will see what God is going to do, and it will be according to how He has said it is going to be for this end time.

After that you will also see earthquakes, tidal waves, God will shake the heavens and the earth; but before that, there is a great blessing for all believers in Christ.

May God bless you; and onward working hard in the Work of God, in the construction of the Great Tent Cathedral; which we see, from obtaining the lands, which is a miracle. Obtaining all this land has been a miracle, and the construction of the Great Tent Cathedral is another miracle; it is the hand of God intervening so that everything happens according to the Divine Program.

We are all working on this Program, on the most important construction project on planet Earth. There is no other more important. As when Solomon built the temple, the greatest project on planet Earth was the construction of the temple, because it is a House for God.

²⁹ This Seven-Seal Book is revealed at the time of the Seven Thunders of Revelation 10, now, if you're marking it down. Let's turn to Revelation 10, just a moment, so you'll get an understanding before we get into it. Now, this is at the end time. For, listen:

...I saw another mighty angel come down from heaven, clothed with a cloud: and a rainbow...upon his head,...

³⁰ If you notice, that's Christ, see. Cause, He, in the Old Testament, was called the Angel of the Covenant. And He is directly coming to the Jews now, for the Church is finished. See? All right.

...and his face...as it were the sun, and his feet as pillars of fire:

³¹ You remember that Angel in Revelation 1? Same thing. Angel is a "messenger." And He's the Messenger to Israel. See? The Church has been raptured, see, now, or fixing to be raptured. He comes for His Church. Now watch.

And he had in his hand a little book open:...

³² Now, here, It was closed here and sealed; and here It's open. It's been opened. Since that time of the sealing, we're getting into tonight, now the Book is open.

³⁵² And the world, the nature, (God have mercy!) the whole world's in—in birth pains. The world is trying, she is “travailing,” Isaiah said. What's the matter? She is in...trying to bring forth a new world, for the Millennium, where all the...?...Trying to birth a new world, for a new people that won't sin and pollute her. That's right. She is in travail. ³⁵³ And this Sixth Plague lets her go. Brother, the earthquake bursts open, and the stars shake, volcanics will come forth, and the earth will renew itself. New lava will break forth from the center of the earth. And she'll crumble, all around and around and around, when she spins out in yonder.

³⁵⁴ And I tell you, one morning when Jesus and His Bride comes back to the earth, there will be a paradise of God there. That, oh, my, them old warriors of the battle, walk down through there with their friends and loved ones. The anthems will fill the air, of an Angelic host. “Oh, it was well done, My good and faithful servant. Enter into the joys of the Lord, that's been prepared for you, like you should have had back there before Eve started the ball a rolling in sin.” Amen!

GOD REFLECTING HIMSELF

Dr. William Soto Santiago

Now, in heaven God shows the things that He will then do on Earth.

We find, also, that the seven angel messengers will return with the elect of the ages to which they were their messengers; they will return in the resurrection of the dead in Christ, they will return in this end time, and they will join the Angel Messenger that was very different to the seventh angel messenger; and they will be here on Earth, in a great reunion that will take place at the end of time.

For that reason the seventh angel messenger was shown a number of events that will take place at the end of time, where the glory of God will be manifested and where the Pillar of Fire will be performing a

so it will be a Great Tent Cathedral, which God showed to Reverend William Branham.

Therefore, the Church of the Lord Jesus Christ in this final Cornerstone stage, to which she will ascend..., just as she ascended from one age to another, and ascended in the three previous stages: She went up from the Lutheran age to the Wesleyan age, and from the Wesleyan age she went up to the Pentecostal age, then from the Pentecostal age she goes up to the Age of the Cornerstone; an age for the restoration of all things; for the restoration, above all, of the sons and daughters of God to eternal physical life, to obtain the adoption, which will be the redemption of the body, the transformation of the living, to have eternal, immortal and glorified bodies, and the resurrection of the dead in Christ in eternal, immortal, young and glorified bodies, like the glorified body of our Lord Jesus Christ our Savior.

Therefore, onward with the goal of Christ and His Church, the goal of The Great Tent Cathedral. And may God bless your goal of that Great Tent Cathedral.

Ministers and wives and collaborators: May God bless you and use you greatly in His Work relevant to this end time; and may the Tent Vision soon become a reality; and in due time may it be fulfilled, in the fulfillment of the Tent Vision, may what was shown to the Reverend William Branham be fulfilled: the Third Pull, which will be the manifestation of Christ in Holy Spirit in the midst of His Church, bringing the final revival to His Church.

BIRTHDAY GREETINGS

Dr. William Soto Santiago

There is a great blessing in this project; and many prophecies pertaining to the end time will be fulfilled, we will see them; this place will be used, according to the Divine Program, for something great from God that He is going to do.

He has promised to be with us, He has promised that His Spirit will be with us; and therefore, where He is, there is the Work of God to be carried out; and from there it extends to other places, to other nations, to other peoples.

Therefore: “Work.” That is what it says: “Strive and work.” Because it is time to be striving working in the Divine Program. And this is

doesn't matter the country where you are, it will reach there via satellite or internet, or in different ways, such as recordings, and it will also come out through books and also through the press; and therefore, that will be the revival of the Last Day for the Church of the Lord Jesus Christ, which will be produced by the Voice of Christ, the Angel of the Covenant, crying as when a lion roars and seven thunders uttering their voices, according to Revelation, chapter 10; because they are the Seven Thunders of Revelation, which is the Voice of Christ, which will give the final revival to His Church, and will consequently give her the faith of rapture, the faith to be changed and raptured.

Therefore, the Church of the Lord Jesus Christ in the Last Day will be working in the Divine Program for the construction of that Great Tent Cathedral that the Reverend William Branham saw; because there will be the manifestation of Christ in Holy Spirit in the Last Day, and giving the final revival to His Church, and giving them the faith to be transformed and raptured. No matter where the people are, everything will be transmitted from there to other nations.

Therefore, the important thing is that everyone is well united working in the Divine Program that has been promised to be carried out by Christ in a Great Tent Cathedral; for which the Church of the Lord Jesus Christ, in the stage of the Age of the Cornerstone, will be working on the project of the construction of that Great Tent Cathedral that was shown to the Reverend William Branham. And Christ will be supporting that promise for the fulfillment of that Vision of the Great Tent Cathedral.

And then all those who will have worked on that project will be able to say: "I have a little part in that project. I have a little part in that Divine Program that was promised to be carried out in the Last Day," just as those who worked on the building of Noah's ark could say: "I have a little part in the construction of Noah's ark."

Therefore, just as it was a great and final sign for the antediluvians, that the time had come for a divine judgment to fall upon the Earth with a flood, so it will also be a great sign for mankind, that the time has come for divine judgment to fall upon the human race, which will be unleashed in the time of the great tribulation; but before that, the Vision of the Great Tent Cathedral will be an important sign for all mankind.

Therefore, we will be living as in the days of Noah, where there was a physical sign: Noah's ark; for the Last Day there will be a physical sign where the manifestation of God will be in all His fullness, and

number of greater things.

And he was told... - or rather he said: "I saw... the Pillar of Fire that always accompanies me, I saw that it left me, and it left to speak to another person." And he says that then he went to that place where the Pillar of Fire was speaking to another person, and he says: "And what I saw and heard there, I have to take with me to the grave; because I was told: 'This is the Third Pull, and you will not tell anyone'," as he had told the people on other occasions of other previous stages of the Divine Program.

For making known the two previous pulls he had many problems, and the Work of God had many problems; but he says that the Angel told him: "I will meet you there, and you will not tell anyone what this Third Pull is; you will not tell anyone what you have seen and heard there."

He was also told: "Do you remember the name you were looking for when you first saw the vision, when you knew about it?" All these things are linked, because the Eternal Name of God will be there.

Now, He will be carrying out a very great and very important Work in favor of all the children of God, starting with the firstborn of God; and then He will continue with the rest of the children of God and with the Hebrew people.

WATCH: DREAMS AND VISIONS OF THE REVEREND WILLIAM MARRION BRANHAM

Dr. William Soto Santiago

Tuesday, December 24, 1991 (Second activity)

Cayey, Puerto Rico

And here, these visions and dreams that God gave to our brother Branham, and in which brother Branham himself sometimes perhaps thought that they would be fulfilled in him, under his ministry, operating in himself, are visions and dreams that would be fulfilled (if they were not fulfilled in him), they would be fulfilled later in the same ministry of Elijah, but in his fifth manifestation; because between the ministry of the fourth Elijah, and the fifth Elijah and second Moses, there is no ministry in between; it is the ministry of Christ with His Angels, that is, the ministry of Christ with the spirit and power of Moses and Elijah, which happens to Elijah in his fifth manifestation.

So everything that was not fulfilled under the ministry of our brother Branham, will be fulfilled under the ministry of the Lord with

His Angels in this end time.

(...) ...let's see here... because it is that the 26th says [*Quotations*]:¹

“So, seemingly, maybe, I will continue on until that maybe the tent starts, or wherever it is He has chosen to begin to declare His Name in a new way.”

In a new way, because in each dispensation God declares His Name in the corresponding way for that dispensation.

And why was the Tent Vision not fulfilled in our brother Branham? Because he was in the second dispensation and these are promises that correspond for the third dispensation, at the end, for a certain time; not for the time when people want, but for the time when God has appointed it.

And under that mystery of the Tent Vision there are countless things that should only be known by the instrument that God will use for that moment, so that there will be no imitations; because due to many people knowing the stages that were manifested in our brother Branham, and him making them known and making the mechanics known, imitators arose, who did much damage to the ministry of our brother Branham.

And although he didn't lose the ministry, he lost many blessings and the people too, because then they put their eyes on other people that arose; maybe good people too, wanting to help, but they didn't help, instead they did harm.

And the blame... let's say: and the responsibility for this, the Angel placed it on our brother Branham, for he said to him:² “What I told you not to do, that is what you did!” And what did he do? He started to explain those stages, those two previous pulls, and many people arose doing the same thing that brother Branham did.

But for this Third Pull, in the full fulfillment of the Tent Vision, it says that there will be no imitators. That shows that where the messenger was not careful where the two previous stages were manifested, there the messenger will be careful, where that Third Pull will be manifested in all its fullness.

The forerunner of the Coming of the Lord was a messenger of an age, and forerunner in a gap between the seventh age and the eighth age; but the messenger where the Tent Vision will be fulfilled in all its fullness and all those visions, and all that Work that He has promised, which was not fulfilled in our brother Branham, will be a dispensational

messenger, with a dispensational Message, with which He will make known the Name of the Lord in a new way, which is the New Name of the Lord, which He says:***Revelation 3:12 “And I will write upon him the Name of my God, and the Name of the City of my God, and my New Name.”

That is the Name that He will make known in a new form, because He will be making it known in a new dispensation also.

MAY GOD BLESS OUR GOALS FOR THE GREAT TENT CATHEDRAL

Dr. William Soto Santiago

Saturday, July 19, 2014

(Via telephone from Cayey, Puerto Rico, to San Pablo, Brazil)

It is in that Cornerstone stage where the Pillar of Fire will fly to a Great Tent Cathedral, which that stage or age will have, and where there will be a small wooden room, where the presence of the Pillar of Fire will be, which is Christ in Holy Spirit, where the Angel that accompanied the Reverend William Branham will be, and where the Reverend William Branham went.

He was there watching everything that was happening, and he also heard it, he heard a name, which he then looked up to see what that name was. But he was not allowed to speak about what he saw there and about the name he was looking for after he had seen and heard it in that little room. To which the sick, paralyzed, blind, and other sick people, with different problems, entered through one door and came out through another door healthy, and they gave the testimony of what they had had of illness or health problems, physical, and they had been healed. But when they were asked: “What happened there?”, they couldn't explain it, they didn't know how it happened, but that before they had a certain disease or physical problem, and now they didn't have it anymore.

Reverend William Branham said that the Angel told him: “That will be the Third Pull, and you will not tell anyone.” And the Third Pull is a full manifestation of Christ in Holy Spirit in the midst of His Church in the Last Day, where He will give her the faith to be transformed and taken with Christ to the Wedding Supper of the Lamb.

Therefore, the goal of the Church of the Lord Jesus Christ will be to reach the fulfillment of that Tent Vision, where each believer in Christ of the Last Day will receive the faith to be transformed. It
