

him; but it is going to be known to those who are to be in that stage. And all of that is linked to the Tent Vision.

The Tent Vision will become a reality in this end time, in the Cornerstone stage; not in the Laodicean stage, which was the last of the seven ages; the messenger of that seventh stage tried to make it a reality for his age, but it was not possible, because it was not for him nor for his age. It is for our time.

And all the elect of God of the Last Day will be working in that Divine Project, receiving the knowledge of how to work in that Divine Project; and doing it wholeheartedly. And by faith we will conquer that Divine Promise pertaining to this end time. And all the other promises that the other messengers of past ages and their group couldn't conquer, and which are promises for the Last Day, we will conquer them.

As God said to Joshua, to be courageous and valiant, so it is for us. By faith they conquered the promises of God for their time, the overcomers of faith in past times, the mighty men of God in every age.

And now, where are the mighty men and women of the Last Day? Here we are present working to conquer every promise that corresponds to us. Because all the promises that correspond to the Last Day, correspond to us who are the ones of the end time, the ones of the Last Day, who would be living in this end time.

Therefore, we work according to the instructions from God through His Spirit in this end time; and therein lies the success: to work according to the instructions of God for our time, as it was so for each age and the messenger of each age with his group.

BOOK OF THE SEALS

The Sixth Seal – Pages 427-428

Rev. William M. Branham

²⁸⁸ Now look here. When these prophets are prophesying there, they... If any man mistreats them, harms them: “fire proceeds from their mouth,” Holy Ghost Fire, the Word. The Word is God. Word is Fire. Word is the Spirit. See? “Proceeds from their mouth.”

²⁸⁹ Look at Moses. Let's see what come from his mouth. They, Israel, got to, way they were doing there, the—the... I mean, Egypt, they were mistreating these Jews. Moses... Well, they wouldn't let them go. Pharaoh wouldn't. God put the words in Moses' mouth. See, it's God's thoughts going into Moses' heart; he goes over now to express it, then it becomes the Word. Stretched his hand forth, said, “Let there be flies,” and here come flies. Look here.

‘And if any man hurts them, fire proceedeth out of their mouth, and devoureth their enemy:...’

²⁹⁰ See? There it is. They can speak what they want to, and there it happens. Amen!

‘...and if any man..hurt them, they must in this manner be killed.’

²⁹¹ Brother, God rides on the scene here!

‘They have power to—power to shut the heavens, that it rain not in the days of their prophecy:...’

²⁹² Elijah, he knows how to do it; he's done it before. Amen! Moses knows how to do it; he's done it before. That's the reason they was kept back. Now... Amen!

²⁹³ I could say something awful good right here, but I better—better hold it until tomorrow night. See? All right.

‘...and have power over the waters to turn them to blood, and to smite the earth with...plagues, as oft as they will.’

²⁹⁴ What is it? What can bring these things but the Word? They can do nature any way they want to. Here it is. They're the one who brings on this

Sixth Seal. They uncover and open it up. It's the Power of God, to interrupt nature. See, the Sixth Seal is completely an interruption of nature. Do you get it now? [Congregation says, "Amen."—Ed.] There is your Seal. Who does it? It's the prophets, the other side of the Rapture. With the Power of God, the Word of God, they just condemn nature. They can send earthquakes, turn the moon into blood, the sun can go down, or anything, at their command. Amen!

²⁹⁵ There you are. There you are. See? See how the Seals opened, down there in the church age, how it showed the martyrs?

²⁹⁶ And now here is these two prophets standing here with the Word of God, to do anything to nature they want to. And they shake the earth. And it shows exactly who does it. It's Moses and Elijah, 'cause there is their ministry re-impersonated again, it's both men. Oh, my! Do you see it now? [Congregation says, "Amen."—Ed.] See what the Sixth Seal is? It's those prophets. Now notice. Don't let it choke you. But, watch what opened that Seal, prophets! See? Whew! Amen! There you are.

²⁹⁷ Oh, we're living in the eagle day, brother, head up among the clouds!

²⁹⁸ They opened that Sixth Seal. They have power to do it. Amen! There is your Sixth Seal coming open. See?

THE FIGHT FOR THE THRONE

[Revelation 3:21] *"To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne."*

And now, we can see that there is a fight, there is a struggle; and as we approach that final battle, where there will come a squeeze against the Church-Bride of the Lord Jesus Christ, from Christ will come all His power to give us the Great Victory in Divine Love; because love is what conquers all, and conquers even the devil.

Therefore, there is no other way for this battle to take place. It is a battle, a struggle in divine love; and the victory is prophesied: it will be the Great Victory in Divine Love.

Just as King David before being crowned king had mighty men that fought by his side, and after David was crowned...; because they fought on behalf of David so that the time would come for David to be crowned, because they recognized that David had been anointed to be the king over the Hebrew people, he had been anointed as king. The eighth son of

Jesse had been anointed to occupy the Throne of the Lord on Earth in the midst of the Hebrew people, just as the eighth Angel Messenger would be anointed to sit with Christ on His Throne.

And now, they recognized, these mighty men of David recognized that anointing that was upon David, and they fought arm in arm with David until they obtained the final victory; they had many battles, there were many wars, in some they had to flee (in some occasions), but the important thing is the final result.

Some battles can be lost, but the war can be won; the important thing is the final result: who will win the war. And the war is prophesied to be won by Christ and His Church, where the Angel of the Lord Jesus Christ will be. Therefore, the final battle will give us the final victory in divine love.

And now, those mighty men (Reverend William Branham says) who fought on behalf of David, at David's side... Reverend William Branham says that when David came to power they were placed in very important positions in his kingdom. The Scripture says: "If we suffer with Him (with Christ), we shall reign with Him."

The victory has already been seen in the two visions of the seventh messenger. The victory will be certain, although the battle will be hard. If he saw us with fear, fearful, wait until that time comes. Therefore, be strong and courageous. Just be strong and courageous. Don't let anyone else take your crown. Don't let anyone take it out of your hands, after you have had it for so long, because it is yours. He promised that blessing for you, and you can't afford to lose that blessing; for afterwards you would say like Esau: "And is there no other blessing for me?"

We can't sell the Blessing of the Firstborn, of the firstborn of God, neither for fear nor for a plate of lentils... but to be faithful, courageous and striving in this end time.
