**THE SWEET SMELL OF A HEAVENLY CITIZEN  
(Ministers Meeting)**

Then we find, in the temple that King Solomon built, that, in addition to the two golden cherubim on the mercy seat, he placed (not on the ark of the covenant, but next to it) on each side of the ark of the covenant two giant cherubim of olive wood covered with gold; because it is in the Most Holy Place where God will have those two cherubim of olive wood covered with gold, in other words, covered with the Divinity, God in them.

That is why it will be fulfilled... Page 30 [p. 36 in Eng] of *The Ages* will be fulfilled, where it says:

*“Now, when is the Gospel returning to the Jews?”*

*When the day of the Gentile is finished, the Gospel is ready, go to the Jews. Oh, I could, if I could just foretell you a little something that's fixing to happen right here, see, right in this day. You see? It's fixing to happen. We get it in the Church Age. And this great thing is fixing to happen, will carry over to Revelation 11 and pick up those two prophets, Elijah and the Moses returning back again for the Jews."*

Who is going to take the Gospel to the Jews? The Two Olive Trees. And where will they be? In the Most Holy Place of the spiritual Temple.

*"We're ready for it. Everything is setting in order, just ready. This Gentile Message, as the Jews brought it to the Gentiles, the Gentiles will take it right back to the Jews again. And the Rapture will come."*

That is the way for God to deal in this end time with the Jews. That is why when Reverend William Branham, having the ministry of Elijah for the fourth time, saw that there are 144,000 Jews that are going to be called and gathered, he, as a responsible minister, wanted to go to speak to them; but the Holy Spirit, the Angel of the Covenant, told him that it wasn't the time yet; that it wasn't yet, that the wickedness of the Amorites hadn't been fulfilled.

And up to that point he believed that there were only four manifestations of Elijah. Later on he realized and knew that there were five, and that it was for later on, that manifestation for the Jews. Then he understood that Elijah... that Elijah will travel that ministerial path for the fifth time, and that it will not be the ministry of

Elijah alone, but the ministry of Moses as well.

In other words, the Two Olive Trees of olive wood covered with gold, of the Most Holy Place, will have a great mission with the Hebrew people. Those are the only ones that the Jews are going to listen to, those two ministries being manifested. They are going to say, “This is what we are waiting for!”

All of that has a great secret, and they are waiting for Elijah. That is why they don’t receive anybody, except when Elijah appears to them, when he appears to them at the corresponding time for the calling; when that time comes, they will see him.

Reverend William Branham, on page 41 of the message “*Feast of the Trumpets,*” says that they will see Christ coming for His Church, they will see Him in His Church. It is a great blessing that the Church will have at the Last Day. And they will see Christ in His Church, coming for Her.

## **ON THE UPDATED MOUNT TRANSFIGURATION**

*Dr. William Soto Santiago*

*Friday, December 2, 1994*

*Porto Velho, Rondônia, Brazil*

What happened on Mount Transfiguration was something very important, for it was a vision that God showed to Peter, James and John: The vision of the Coming of the Son of Man in His Kingdom, with His Angels, with power and glory, as promised for the end of the world, and for the end of time, and for the end of

the world.

The great mystery of the Coming of the Kingdom of God is shown on Mount Transfiguration; that is why this vision of Mount Transfiguration is so important.

(...) On Mount Transfiguration, a son of God was being adopted: The Son of God, the Firstborn of God: Jesus Christ was being adopted there. And for the adoption of every child of God, what happened on Mount Transfiguration must be repeated in an updated form.

We find that Moses and Elijah were there talking to Jesus about His departure for Jerusalem. The ministry for the adoption of the Son of God was there: Moses and Elijah ministering the Word to Him, ministering the Word to Jesus, telling Him of His departure for Jerusalem.

The ministry of Moses and Elijah is promised for the end of time, for the adoption of all God's elect.

(...) Among the seven angel messengers there was one with the spirit and power of Elijah, but he didn't have the spirit and power of Moses; for the spirit and power of Moses, and the spirit and power of Elijah, is for the adoption of all the children of God, for the Age of Adoption, for the updated Age of Mount Transfiguration.

Therefore, the ministry of Moses and Elijah must be seen operating, ministering the Word to the children of God, to the firstborn of God who will be adopted at the end of time as children of God; and they will receive all that Adam and Eve lost in the fall: The Title Deed will be restored to them and an eternal body will be restored to

all the children of God. This is promised to every child of God, so that the Kingdom of God will be restored to the children of God.

(...) And this is: After the kingdom of the gentiles the elect will receive the glorious Millennial Kingdom; and to receive it, they must first be adopted!; and to be adopted: they are placed on the updated Mount Transfiguration; that is, on the top of Mount Zion, in the Age of the Cornerstone of the Mystical Body of Christ; where the ministry of Moses and Elijah will be operating and giving the Final Message of God to all the children who will be adopted, to the firstborn of God; to receive a new body, those who are alive; and those who died: to be resurrected in an eternal body; and also to receive the power and authority and position of kings that was lost in the fall of Eden.

All of that is on the updated Mount Transfiguration, to be restored to every firstborn of God.

The elect, when they are seeing Christ as the Sun of Righteousness, as the rising Sun in a new dispensational day, and are seeing the ministry of Moses and Elijah bringing the Message of the Gospel of the Kingdom, they will be seeing and experiencing, living, the updated Mount Transfiguration.

## **THE INTRODUCTION TO THE MILLENNIUM**

*Dr. William Soto Santiago*

*Cayey, Puerto Rico*

Notice, at the time of Jesus, Moses and Elijah also

appeared. In other words, the manifestation of Moses and Elijah, the Two Olive Trees, accompanies the First and Second Coming of Christ.

We are in a time of introduction of the Millennium and the Millennial Kingdom; therefore, let us be prepared, because the culminating part will be fulfilled in the fulfillment of the Tent Vision, where Reverend William Branham saw that the Pillar of Fire flew, entered, went to a small wooden room, and there was the Pillar of Fire manifesting Himself, the Angel of the Covenant, Christ in Holy Spirit in the midst of the people who are under the New Covenant.

The fulfillment of the Tent Vision will bring the Great Victory in Divine Love, and that is why the Age of Cornerstone is the Age of Divine Love. It is in that age that the Tent Vision, the Third Pull, must be fulfilled, the Voice of Christ crying out as when a lion roars, and giving us the revelation of the Seventh Seal, the revelation of His Coming.

All of that is going to be given in the fulfillment of the Tent Vision. That is where the Jews are going to look and see and say, "This is the one we are waiting for!" They are going to recognize him.

But who is going to recognize Him first? The Church of the Lord Jesus Christ, in that manifestation. They will recognize that it is Christ, the Angel of the Covenant, in the Pillar of Fire visiting His Church in the Age of Cornerstone, just as He visited His Church in the Pillar of Fire from age to age. He is the same yesterday, today and forever.

(...) Did you see how simple the introduction to the Millennium is? It is the Seventh Seal, Christ in the midst of His Church introducing the Millennium for His Church and also for the Jews.

When the Tent Vision is being fulfilled we will hear more openly about these mysteries of God's Program. In the meantime, it is not convenient to speak more clearly about this subject of "THE INTRODUCTION TO THE MILLENNIUM," so that the imitators will not take the things that are revealed to use them for their own benefit, to take advantage of them for their own benefit; as they did in other times of the different stages of Judaism and Christianity.

Be up to date by reading the messages of Reverend William Branham on the internet or in the booklets that are supplied to you, because the Message given by the Holy Spirit through Reverend William Branham is the Message that foreruns the Second Coming of Christ. In other words, it will be as it was spoken by the Holy Spirit through Reverend William Branham. That is what the Message of Reverend William Branham is for. That is why he said, "If I am not here when He comes, this Message will introduce Him."

(...) So the Seventh Seal, being the Coming of the Lord, is the greatest mystery of all mysteries; and God through the Reverend William Branham — speaking the Message that was given to him—, with that Message introduces the Second Coming of Christ. As he said it will be, so it has to be fulfilled in this end time for the introduction of the Millennium; because the Seventh

Seal introduces the Millennium. Christ Himself introduces the Millennium at the Last Day.

Let us be prepared, because in the fulfillment of the Tent Vision every problem will be solved; in the fulfillment of the Tent Vision what is promised and what was shown to Reverend William Branham will be fulfilled.

The Third Pull will be fulfilled in the Tent Vision; and the blessings that are promised for that time I will receive them. And who else? Each one of you, too. And we will obtain the Great Victory in Divine Love.

We will receive the faith, the revelation to be transformed, we will receive the revelation of the Seventh Seal, which will give us that faith of transformation and rapture or catching away; because as things are on this planet Earth, I wouldn't want to be here on Earth for long.
