

Pinot Noir

2022 | BANNOCKBURN

Vintage Notes

Overall, a warm and settled growing season, with little to no high winds, no major frost events and very good soil moisture leading into late 2021. Weekly rain events throughout November took the vines into premium conditions for canopy growth. Flowering conditions were perfect, with warm dry weather over this crucial period. In turn, the fruit was very even in ripeness within the bunches. Autumn was settled and warm, and harvest was very busy and fast-paced. A stellar vintage with very high quality fruit and fantastic crop loads, which were easily ripened by our lush, large canopies.

Winemakers Notes

"Our Mora 2022 Pinot Noir is sourced from our Bannockburn vineyards - 84% Felton Terraces and 16% Cairnmuir. Alluring blue and violet fruit, delicious ripe plums, fragrant with a lovely purity. The palate offers good density, silky tannins, subtle oak and nice length. Finishes with a kick of red fruit and fine tannin. A classic example of a well-made Central Otago Pinot Noir."
