Dear Valued Business Partner,

The health and wellbeing of our staff, customers and business partners remains our highest priority. With lockdowns ending and businesses preparing to live with COVID-19, it is important that we are all playing our part to prevent the spread of this virus by protecting essential services and those at most risk in the community. Visco Selected Fine Foods has elected to become a mandatory fully vaccinated site.

To continue to visit our site, all persons (including contractors, suppliers, vendors and drivers) are expected to have received their first vaccination by 7 November 2021, and their follow up vaccination by no later than 5 December 2021.

Upon entering our site, you will be asked to show proof of vaccination via the government vaccination certificate or a valid medical exemption form to confirm site clearance. If you cannot provide documentation, you will not be permitted on site.

We thank-you for your continued support and should you have any concerns regarding this, please contact me by phone on 0433 215 292 or by email at angela@viscofoods.com.

Yours sincerely,

Angela Hird
